## **Change Endorsement**

### **Extension Of Coverage – "Suspension" Due To "Food Borne Contamination"**

This endorsement modifies insurance provided under the following:

BUSINESS INCOME (WITH EXTRA EXPENSE) COVERAGE FORM  
BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM

All terms and conditions of this policy not specifically modified by this endorsement shall remain unchanged and in full force and effect.

We will pay up to \$25,000 in any one occurrence for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" at a premises for which a Business Income Limit of Insurance is shown in the Declarations where the "suspension" is by order of the "Public Health Authority" as a result of the actual or suspected presence or threat of "food borne contamination" at that premises, including its incoming water supply.

For the purposes of this extension of coverage the following definitions apply:

1. "Food borne contamination" refers to unintentional contamination of food that are capable of causing poisoning, disease, illness, physical distress or death, including a communicable disease that may have been transmitted by one or more of your employees, but does not include anything caused by or resulting directly or indirectly from nesting, infestation, discharge or release of waste products, or secretions, by insects, birds, rodents or other animals.
2. "Public Health Authority" means the governmental authority having jurisdiction over your operations relating to the health and hygiene standards necessary to protect the general public.
3. "Suspension" and "operations" have the same definitions contained elsewhere in your policy.

All other terms and conditions remain unchanged.
